---

Professional supplier of photovoltaic power stations, power storage cabinets, communication outdoor cabinets, battery cabinets, microgrid systems, and solar energy solutions.

Specializing in research and development of solar panel, lithium battery and BMS. Bluesun product has exported to more than 185 countries and regions since 2022.

The BESS solution delivers utility-grade energy storage for commercial and industrial applications. The system features modular architecture supporting 250kW to 500kW continuous power output with ...

The A-PS quick deployment system based on Lightweight cabinet and small container design. Enable the quick deployment and commissioning requirement. The current series covers 30kW/100kWh, ...

With a global presence that extends to Brazil, Morocco, Ukraine, Vietnam, and beyond, we are proud to be at the forefront of solar innovation. Our footprint in these diverse regions underscores our ...

Investment in a 30kwh photovoltaic integrated energy storage cabinet for aquaculture With the promotion of renewable energy utilization and the trend of a low-carbon society, the real-life ...

The system is designed for daily production between 1000-1500kWh, supported by 360pcs of 720W Topcon solar panels, mounted on a robust ground system. All components are CE/IEC certified and ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the ...

This 250kW all-in-one containerized energy storage system integrates lithium batteries, inverter, and smart energy management in a 20FT container for easy installation, transportation, and stable ...
