Discover the MEGATRON Series - 50 to 200kW Battery Energy Storage Systems (BESS) tailored for commercial and industrial applications. These systems are install-ready and cost-effective, offering ...

This achieves an integrated "PV + Energy Storage" solution. The cabinet system adopts a modular design, allowing flexible configurations for photovoltaic, ...

Complemented by a temperature control system, comprehensive fire protection, and efficient load distribution, this compact power cabinet offers an output power ...

Introducing our 50kW / 100kWh high-voltage outdoor energy storage solution designed for commercial and industrial (C& I) applications.

This integrated cabinet combines power modules, batteries, cooling, fire protection, and smart energy management in a single rugged unit. This all-in-one outdoor ...

By combining cutting-edge technology, strict quality control, and global service support, we ensure that every outdoor cabinet we provide--such as the 50kW-100kWh system--meets the highest standards ...

All-in-one 50kW/100kWh ESS cabinet for solar storage, backup, and peak shaving. Outdoor-rated, air-cooled, and easy to install with full EMS control.

Housed in a single indoor cabinet, it combines a high-performance 50kW power conversion system with 100kWh of advanced LiFePO₄ storage, ensuring safe, ...

This StackRack SRB10 battery kit offers up to 50 kWh of reliable battery storage in a pre-assembled, outdoor-rated SRB10 battery cabinet. The system includes ...
