OverviewHistoryNetwork informationServicesSponsorshipCriticismOneTVOn 7 July 1999 a consortium formed by V.R.A.M. and Primatel won the third GSM 900/1800 licence in Hungary. After signing the agreement on 30 November 1999, the consortium launched its network under the Vodafone brand. In the initial years, Vodafone used towers of its main competitors Westel (now Telekom) and Pannon GSM (now Yettel) networks, while their own network was available only in Budapest and other main cities. At the end of 2002, they covered 90% of the country.
