Rooftop or community solar--which option is better for me? A lot of it comes down to preference. Community solar is a great option if you're a renter, if your roof is unsuitable for solar panels, or if ...

What Are Permitting and Inspection? Why Are Permitting and Inspection Important? Seto Research in Permitting and Inspection Solar permitting and inspection refer to two processes that need to happen before a solar array can receive permission to interconnect to the grid and start producing electricity. Generally, local governments require a homeowner's solar installer/contractor to obtain a permit for rooftop panels before they can be installed. After the PV system is i...
