This article focuses exclusively on the Ja Solar 460W JAM54D40-460/LB Bifacial solar panel, providing a comprehensive overview based solely on product data and specifications.

Powered by the latest MBB n-type solar cell and half-cell configuration, these modules have higher output power, lower LID, better low-light response and better temperature coefficient.

Download data sheets, certificates, white papers, and more from the JA Solar Download Center - all important documents in one place.

12 Year product warranty and 25 year linear power output warranty. Please note: Warranty only covered under the condition that the end user has a valid COC certificate issued by a certified electrician / ...

Experience top-tier solar performance with the JA Solar monocrystalline solar module. This high-efficiency panel, utilizing PERC technology, offers a power ...

These solar modules are powered by the latest MBB n-type solar cell and half-cell configuration and have higher output power, lower LID, better low light response and better temperature coefficient.

Measurement tolerance at STC: $P_{max} \pm 3\%$, $V_{oc} \pm 2\%$ and $I_{sc} \pm 4\%$.
JAM72S20-455/MR/1000V JAM72S20 -465/MR/1000V.

Whether you're powering a residential, commercial, or industrial setup, this panel combines advanced technology with robust construction to ensure optimal performance in a variety of conditions.

Maximize efficiency with JA Solar 460W Solar Panels. Get yours at A1 SolarStore for reliable energy solutions!
