Upgrade your solar power system with the 405 Watt LONGI solar panel. Sleek, all black design that seamlessly blends with your rooftop.

The LONGi LR5-54HPB-405M 405W Monofacial solar panel stands out with its innovative design and advanced features. Utilizing half-cell modules, it ...

LONGI 405W photovoltaic panel is a photovoltaic module with a power of 405W, produced by the manufacturer LONGI Solar. It is a monocrystalline panel with ...

The LR5-54HPB-405M, a high-performance 405Watt monocrystalline solar panel designed to deliver maximum efficiency and long-term reliability. This panel provides excellent performance in low-light ...

Greentech Renewables supplies LONGi Solar 405W 108 Half-Cell 1500V Black ...

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of ...

Among the newest offerings of LONGi, LR5-54HPB-405M is part of the Hi-MO 5m series. These panels use state-of-the-art technology to achieve high efficiency and dependability.

All you need to know about the LR5-54HPB-405M solar panel including rating, cost, efficiency, and warranty terms.

Engineered with advanced M10 gallium-doped wafers and 9-busbar half-cut cell technology, this module is optimized for both residential and commercial ...
