---

The MEGATRONS 373kWh Battery Energy Storage Solution is an ideal solution for medium to large scale energy storage projects. Utilizing Tier 1 LFP battery cells, ...

The FPR-ESS-5015kWh-L-1500V is perfect for large-scale applications, including grid stabilization, renewable energy integration, and industrial power management.

High voltage and large capacity: Meet the energy storage needs of high power and large capacity, store more electric energy, and provide stable power support for ...

Founded in 2009, SineSunEnergy has been focusing on lithium battery energy storage product development and application, providing leading lithium battery energy storage system integrated ...

1500V Liquid Cooled Battery Energy Storage System (Outdoor Cabinet). Easily expandable cabinet blocks can combine for multi MW BESS projects.

Our battery storage cabinets are constructed with a modular design, providing optimal flexibility for businesses across various sectors. Our power storage ...

Combines high-voltage lithium battery packs, BMS, fire protection, power distribution, and cooling into a single, modular outdoor cabinet. Uses LiFePO<sub>4</sub> batteries with high thermal stability, extensive cycle ...

Electrical selection compatible with 1000-1500V. also adds 24VDC, which can support black start. Modular PCBA design with convenient expansion for level 2 and 3 (BAMS/ESU). Hot plug design, ...

Save on labor, easy installation: Single cabinet installation is simple, and cabinet installation is convenient, quickly supporting grid connection and saving on labor ...
