Shanghai Gulier offers advanced liquid-cooling outdoor cabinets designed for efficient heat dissipation in telecom and power equipment. Ideal for demanding outdoor environments.

100kW/215kWh outdoor integrated cabinet for industrial and commercial storage. Suitable for various industrial and commercial application scenarios such as industrial parks and commercial complexes, ...

? Solar + Storage Ready - The cabinet seamlessly integrates with rooftop or ground-mounted PV systems, enabling: Maximum solar self-consumption Reduced grid export limitations Higher overall ...

Liquid cooled outdoor 215KWH 100KW lithium battery energy storage system cabinet is an energy storage device based on lithium-ion batteries, which uses ...

Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for demand regulation, peak shaving, industrial and commercial energy ...

Maximize power reliability & savings with our 125KW/261KWH Liquid-Cooled Battery Cabinet. Featuring superior cooling efficiency for extended 10-year lifespan, it enables critical equipment UPS protection ...

Absen's Cube liquid cooling battery cabinet is an innovative distributed energy storage system for commercial and industrial applications. It comes with ...

The energy storage system utilizes lithium iron phosphate batteries, which offer high energy density and long cycle life. The unit features an outdoor cabinet design, allowing for flexible expansion and ...

Our system is designed to enhance energy density and thermal performance, accelerate installation times, engineered for optimal serviceability, and minimizing capital expenditures (CAPEX).
