Product features UPS Back-up Power System Grid-support funcons Flexible configuration Support PVaccess Industrial Microgrid PowerSystem System Built-in transformer Bi-direconal Power ...

The MOBICELL-15K is a modular three-cabinet clean power system engineered to replace diesel generators for backup and mission-critical power. Ideal for telecom, industrial and remote off-grid ...

We have seen an immediate reduction in our energy bills and a change in our power consumption patterns since we installed the PVMARS off-grid solar ...

The high-capacity 15KW kit features a 14.336kWh battery for extreme energy demands. With integrated LiFePO4 technology, it offers safety and longevity, ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency ...

Photovoltaic gives priority to power the user load, and excess solar energy charges the batteries. When the battery is fully charged, the excess power can flow to the grid or photovoltaic limited power ...

Equipped with a robust 15kW hybrid inverter and 35kWh rack-mounted lithium-ion batteries, the system is seamlessly housed in an IP55-rated cabinet for enhanced protection against water and dust, ...

From outdoor energy storage system cabinets to integrated cloud-based controls, EPC Energy has you covered. We want to help you create a sustainable future.

The EK photovoltaic micro-station energy storage cabinet has redefined the power supply mode of distributed energy scenarios with its core advantages of ...
