These federal programs may provide financial assistance to lower energy costs and may be applied to solar.

On This Page How It Works Who Qualifies Qualified Expenses Qualified Clean Energy Property How to Claim The Credit Related Resources You may claim the residential clean energy credit for improvements to your main home, whether you own or rent it. Your main home is generally where you live most of the time. The credit applies to new or existing homes located in the United States. You can't claim the credit if you're a landlord or other property owner who doesn't live in the home.... See more on [irs.gov](https://www.irs.gov).
