Overview Geography Name History Governance Economy Demographics Culture The territory of Vatican City is part of the Vatican Hill, and of the adjacent former Vatican Fields. It is in this territory that St Peter's Basilica, the Apostolic Palace, the Sistine Chapel, and museums were built, along with other buildings. The area was part of the Roman rione of Borgo until 1929. Being separated from Rome, on the west bank of the river Tiber, the area was an outcrop of Rome that was protected by being includ...
